

2515 St. John's Army Cadets  
P.O. Box 21393 RPO MacDonald Dr.  
141 Torbay Rd.  
St. John's, NL A1A 5G6

LCdr W. Anthony Paddon Building  
115 The Boulevard, St. John's

20 Mar 2018

Dear Parents / Guardians,

2515 St. John's Army Cadets will be participating in a bottle and recycling drive fundraising event on Saturday, March 24<sup>th</sup> to help with any funds that are needed for the training year. Participation of the cadets is very important as the more cadets that we have participate, the greater area that we can cover.

Clothing:

- Dress for the weather
- Comfortable (weather appropriate) footwear

Cadets are expected to be at the LCdr W. Anthony Paddon Building at 11:00am and be picked up at 2:00pm at the same location. **We are asking any parent with a pickup truck who can volunteer as a driver for this event to please do so.** We will need to have parents who have vehicles to bring the cadets to the designated area, load the recyclables in their truck and bring them back to the Paddon Building where the Evergreen Recycling truck will be loaded.

Please keep an eye to the Cadet Facebook group for changes and updates if they occur. Please feel free to message the Facebook group or email me if you have any concerns or questions.

Sincerely,

Barry Power  
Captain  
Commanding Officer  
(709) 769-4220
